Pattern Clarifications and Corrections

In Parts 1, 2 and 3, you'll be making blocks that are 10 1/2" x 10 1/2" (10" finished). In Part 8, you'll be making big blocks that measure 30" finished from point to point on the diagonal. The units made in Part 4 are a weird fraction – 7.57" or 7.07" finished.

Page 33 – the binding strips are cut 2-1/2" x wof.

Page 19 – Part 6, step 5 – You'll be using 2 Fabric #9 L triangles for each flying geese unit as shown below. And, you'll save 6 of the units just made for future parts.

Page 12 – Part 2, steps 1 and 2 – most if not all of the patterns have been corrected. You are using 1-3/4" strips and crosscutting 1-3/4" segments in step 1. In step 2, you are using a 1-3/4" strip of Fabric #3; the crosscuts are 1-3/4".

Page 8 – (this doesn't affect anyone doing the block of the month cutting) Fabric #15, step 1, third line should read....Crosscut the strip into 16 rectangles, 1 3/4" x 3" (H).
